do you want to know why? well i can go on and on but

first exhibit - qibli

qibli was just turned into the largest gary stu in this book
of COURSE he was able to choose the right decision when darkstalker offered him animus powers and of COURSE he was the one to get the special earring and stop darkstalker and of COURSE he got moon in the end because he's pErFeCt
no seriously qibli was just atrocious in this book, they threw out everyone else's character arcs just to give qibli more time to shine

second exhibit - unnecessary beginning

honestly the beginning wasn't very. y'know. good
they added an unnecessary vulture plot which i just. completely forgot the meaning of. it cleared up some stuff about onyx and qibli's past and that's about it
and it started off in like. what. the middle of top? like no don't make us wait just to see what happened to our turtle boy

third exhibit - MOONBLI

moonbli was the LEAST DEVELOPED and LEAST LIKELY ship they could have chosen but nOOOOO, with the FEW MOONBLI MOMENTS THEY HAD it's DEFINITELY JUSTIFIED
winterwatcher was more developed. it was more expected. honestly they could have gone with umbli and winterwatcher but nuh-uh, you GOTTA make the SPECIAL PROTAGONIST get the girl when the OTHER PROTAGONIST HAD MUCH MORE DEVELOPMENT WITH MOON
AND WHO GAVE UP HIS LIFE FOR MOON
AND WHO HAD ACTUAL CHARACTER DEVELOPMENT
this is probably just coming from a salty winterwatcher fan but
MMMMMMMMMMMMMMMMMMMMMM
AND WINTER. DIDN'T EVEN CARE
AFTER ALL HE'D DONE FOR HER.
HE JUST GOT HIS CHARACTER ARC DESTROYED LIKE "la dee da i'm fine with qibli getting moon and now i love scavengers doo de doo"

conclusion: anemarin was the only good thing about this book

cleverruby17

ehh even anemarin was :/

i mean it's great that anemone is a lesbian but we've never actually seen her and tamarin interact, and we have no idea if tamarin likes anemone back or not

until i see them interact i'm not gonna say much about it

controversial opinion: moon is a PRETEEN and NO SHIP SHOULD HAVE HAPPENED FOR HER

prismkitten36

@oncilla: well technically all of them are preteens/early teens so it's less bad-

preteens shouldn't be getting involved in relationships even with each other

also peril's a young adult

crimsonheatwave42

I have to agree, though the problem with Quibli is really a problem that I think extends to all serial stories that switch off focus characters.(another prime example is ninjago which has... an incredible amount of problems but it gives me motivation so)

The end is not merely the end, but a chance for new beginnings

i made that up on the spot wow it sounds good

maroondragon561

I Agree with sanetra

All I'm gonna say is that this book was good and you can not convince me otherwise
(Although i do disagree with how darkstalker was dealt with, it still was a pretty good finale for the second arc.
